**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ACTION**

**TENNESSEE STATE INTEROPERABILITY EXECUTIVE COMMITTEE**  
**TO HOLD MEETING**

The Tennessee State Interoperability Executive Committee (SIEC) will hold its next meeting on Tuesday, June 5, 2007, beginning at 9:30 a.m., at the Tennessee Bureau of Investigation Headquarters, 901 R.S. Gass Boulevard, Nashville, Tennessee.

The purpose of this meeting is to formalize and move the SIEC forward to address VHF, UHF, and 700/800 MHz interoperability issues, based on Tennessee's statewide interoperability strategy, and to implement the statewide communications guide.

The agenda for this meeting includes:

- Update the State Interoperability Guide
- Discuss the National Public Safety Telecommunications Council (NPSTC) proposal to standardize interoperability channel names
- Information on the national \$1 billion 700 MHz interoperability grant
- SIEC member reports
- Discuss the possibility of a state interoperability conference in 2008

For further information, please contact:

John Johnson, Chairman  
Tennessee State Interoperability Executive Committee
